Section 5 of the Real Estate Settlement Procedures Act (RESPA) requires the following: • HUD must develop a Special Information Booklet to help persons borrowing money to finance the purchase of residential real estate to better understand the nature and costs of real estate settlement services; • Each lender must provide the booklet to all applicants from whom it receives or for whom it prepares a written application to borrow money to finance the purchase of residential real estate; • Lenders must prepare and distribute with the Booklet a Good Faith Estimate of the settlement costs that the borrower is likely to incur in connection with the settlement. These disclosures are manadatory.

Section 4(a) of RESPA mandates that HUD develop and prescribe this standard form to be used at the time of loan settlement to provide full disclosure of all charges imposed upon the borrower and seller. These are third party disclosures that are designed to provide the borrower with pertinent information during the settlement process in order to be a better shopper.

The Public Reporting Burden for this collection of information is estimated to average one hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
